

# COWBOY ROUNDUP

Print one game board on card paper. Print one copy of the cowboy/cowgirl boards and a set of picture cards per child. Children place their pawns on START. Using a die, they roll and move around the board collecting the picture cards as they land on them. One picture card per player is collected - if they land on a card that they already have, they do not collect a second card. First player to collect all 5 picture cards wins the game.
