# The Pet Shop

We are going to the pet shop.
We are getting a pet!

The lady asks us what pet we want. We do not know.

A dog would be a fun pet.
We could take him for a walk.

A cat would be nice.
She could sleep with us.

A bird would be cool.
He could sing to us.

A rabbit would be fun.
We could watch him hop.

A fish would be a nice pet.
We could watch him swim.

A hamster would be sweet.
We could watch her run.

We know what we want.
We want to have a dog!

I would pick a _____.

What pet would you pick?
