

Word Families Present Sorting

Print the pages on card paper. Cut out the present word family cards. Laminating will ensure durability. Children use the Christmas Kids as a guide to sort the presents into word families. Each column will have 4 presents. The children can also play it as a game for 2 or 4 players. Children take one or two family cards and turn the presents over. Taking turns flipping the presents, they read the word and if it belongs on their card, they keep it; if not, they turn it back over. The first to complete their card(s) wins.
